HANNAH'S HORSE

When Hannah's husband bought a horse
Hannah didn't mind
When Hannah's husband ran away
He left his horse behind

Now the horse is Hannah's friend
She keeps him in the house
Hannah says quite honestly
He's better than a spouse

Hanna hates to leave that horse
For more than half a day
She hurries home with happy heart
To feed him honey and hay

How Hannah loves to ride that horse
And stroke its hairy head
How hard it is to say goodnight
And head upstairs to bed

If Hannah's husband calls one day
Hoping for divorce
Happily she'll say ok
If she can have the horse

Nightmare Hotel

I walked up the hill
To the Nightmare Hotel
I stopped at the door
But I couldn't see the bell

I knocked and I waited
In the cold and windy night
I looked in the window
But there wasn't any light

That's when I noticed
The door was open wide
Then it started raining
So I walked inside

(from English Result)

The door closed behind me
I asked 'Who's there?'
That's when I noticed
The rats on the stairs

I turned round to leave
But I couldn't see the door
That's when I noticed
The body on the floor

Then the body moved
The woman wasn't dead
She told me her story
This is what she said:

I also walked up
To the Nightmare Hotel...
