NIGHTMARE HOTEL

I walkup the hill
To the Nightmare hotel
I stopuat the door
But I couldn't see the bell

I knockutan I waitid
In the cold and windy night
I lookutin the window
But there wasn't any light

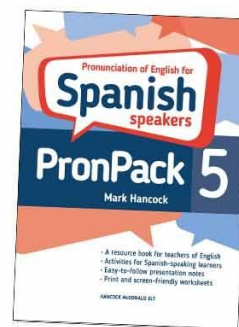

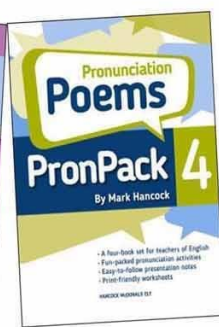

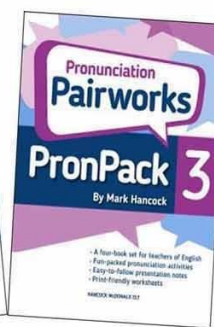

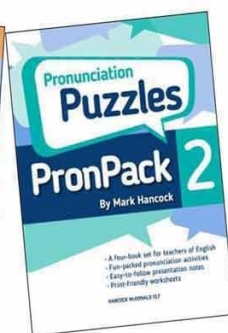

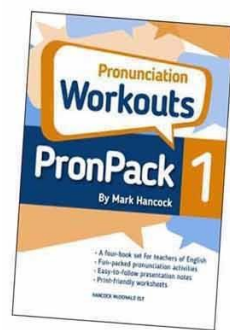

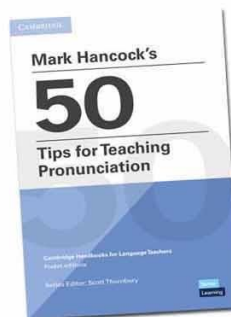

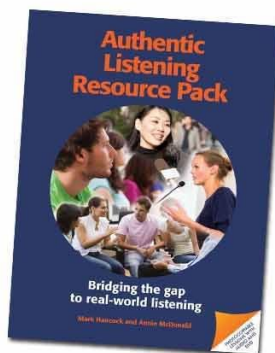

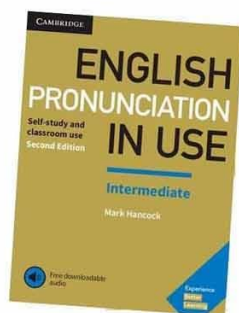

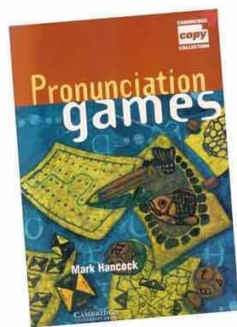

That's when I notist
The door was open wide
Then it startid raining
So I walkutinside

The door closd behind me
I askt , 'Who's there?'
That's when I notist
The rats on the stairs

I turndaround to leave
But I couldn't see the door
That's when I notist
The body on the floor

Then the body movd
The woman wasn't dead
She told me her story
This is what she said...
